

Are you on a Godly Mission?

03 July 2016

Sunday evening service

Ps Bill Carney

Are you on a Godly mission? Are you highly favoured by God? Or are you tip-toeing through the vineyard?

God has created each and every one of us for a mission. When God gives a task, He gives the provision.

We are chosen vessels for God's highest calling on our lives.

Our choices will either make us fail or make us reach our chosen destiny.

We can't blame someone else if we miss our calling - we can't even blame God, because if He has given us the call, He will provide.

Luke 1v28-30

Mary had to make a choice - fail the task or take it on.

When God lays something on your heart, move forward and grab it.
Get involved, don't sit outside and criticise.

We need everybody to be involved, there is a task for each and every person.
No one task is greater than the other.

We need to be one of those people that find favour with God, cause then everything in our life changes and the lives of those around us change because they want the Christ that they see in us.

Let us hear what the Holy Spirit is saying to us.

Let us take the task and see it to fulfilment.

We can only be the Lord's servant in the kingdom if we are committed to Him and Him alone.

Become part of what God is doing and just live it out.

We must be prepared to protect the Lord's name no matter what - when we do that, we are blessed.

God will protect us and supply for us in every situation when He has found favour with us.

Let put aside our dissatisfactions and our way of doing things - let's become part of a team that works together.

Let's put aside our reasons for not being fully committed - it was Jesus' custom to attend the synagogue and worship the Father on the Sabbath.

Let's put aside our reasons for not being able to bless the house of God.

We must have a new start in our walk with God.
How faithful are we to God for all that He has for done?
We need to take a leap of faith.

When we speak to people, something must happen to them. It's what we say, it's how we say it. Let us show warmth and affection to those around us.
Others must want what they see you have.
This can only happen when we are fulfilled with His calling in our life.

When Nehemiah cried before God, God provided for everything.

Who can come up against you and be victorious when God is on your side?
If you don't get involved in your community, how can you expect your community to change? If you're not involved in your household, how can you expect your household to change?

We are a peculiar generation.
There is unique task that only you can fulfil.
Look where the door is before you move through it. Ask God when something comes your way if it is from Him - don't just take everything that comes your way.

Psalm 5v12

God will see you through, you are protected.

Proverbs 8v34-35

When we find God, we find favour.
When God comes through, things happen.

Do not complain and do not compromise for man.
God will bless you so that you can bless others.
God will bless those who bless you - you get a double blessing, from God and from others.

Never think you're too insignificant to be used by God.
Let's take the call and become an instrument in the hand of God.
Let's change our lifestyle - God must become first in our lives.
