

The Church will move from Good to Great for the Glory of God

The church must ensure that it is established on God's Word. There are many sermons preached on TV/Radio stations and so many of them are lacking God's Word. The church and ministry must be established on the Word. The church must build a ministry by which the Word of God must continually be spoken.

1 Samuel 3:1

Now the boy Samuel was ministering to the Lord before Eli. And word from the Lord was rare in those days, visions were infrequent.

The early church were those who heard the Word. They were those, who were added to the church, because they fulfilled the Word. Those who believed or received the Word. Those who obeyed and acted on the Word. Most people join the church and hope to obey, but it was those who were obedient that were added. Those who received the Word and we're baptized were added.

Acts 2:41

So then, those who had received his word were baptized; and that day there were added about three thousand souls.

It is sad that all our churches are not like that. The problem is many churches compare the Word; the Word for many is not the entrance point, but meetings, programs and finances are many's entrance point. Those and many other things take center stage at our celebrations.

2 Kings 2:7-8

Now fifty men of the sons of the prophets went and stood opposite them at a distance, while the two of them stood by the Jordan. Elijah took his mantle and folded it together and struck the waters, and they were divided here and there, so that the two of them crossed over on dry ground.

2 Crossed over.
50 stayed.

The 50 sons of the prophets knew the same revelation as Elisha. But only Elisha crossed over with Elijah. Only Elisha received impartation, the other 50 had a message, but didn't go anywhere.

It's not revelation that gives us impartation, but commitment to and practicing what we hear. In days to come, the church will be more than just a religious institution or an ordinary church having regular and predictable services. Mixture in the church will be exposed. God will begin to expose the spirit of error and help us discern and destroy the spirit of darkness. Counterfeits and false prophets will be exposed. To many of these, an end will be put to their ministry.

God will move, His voice will be heard. A sense of intimacy is coming upon the church, a new sense of grace will be our portion. Faith for the miraculous is going to become a portion in every church that even during times of worship, things will happen, the hand of God will come mightily on the people, healing the sick and raising the dead.

There will be a supernatural flow of revelation, that will reveal the greater purpose of God for the church. We need to stay connected, stay in tune. We need to prepare ourselves for what is going to take place. There is going to be the emerging of a church and a people rising in a way you've never seen before. The fast flowing river of revelation, healing and deliverance will flow through the church. The church has received the source of life in every domain and every place, to be the answer, to be the solution people are looking for.

God is the source of life in every domain and every place. Get ready, it is time, to serve the Lord with all your heart, soul and strength. It is time to put your hand to the plough and don't look back. It is time to advance with a shout of praise, with the roar of a lion. Let the Lion of Judah roar.
